Q&A regarding Request for Quotation (UNFPA/MDV/RFQ/22/004)
Videography contractor - UNFPA work on the ground

Is the RFQ open for individuals or companies? Is it possible to apply as a sole proprietorship?
The current RFQ is for companies, hence an individual consultant would not be able to apply. However, an application by a sole proprietorship or any other registered business entity would be accepted.

The price would be different depending on the length of videos (eg 5 mins or 10 mins) what should be quoted for?
Quotations can be provided for the full production costs for 5 minute videos and 10 minute videos, or quoted at the rate per minute.

Will there be assignments monthly or once in a while?
There is no set minimum for the assignments UNFPA will solicit, it will be announced as needed.

Would the LTA contract be exclusive to one party?
The LTA contracts are non-exclusive and may be given to multiple parties - in which case all such parties will be solicited for quotation/availability for the assignment period.
